

HILDALE A. A. PLAYS AT HARRIMAN TODAY

The Hildale A. A., one of the strongest amateur organizations of ball players in this section, will open bats with the Merchant Shipyard nine at Harriman this afternoon. The game will begin at 3 o'clock, sharp and time.

The Merchant nine will line up the same as last week with the exception of left field which will again be held down by Luddy, the "home run" king, who connected for several clouts in his first two trips to the plate a few weeks ago.

The Shipyard club, which is composed of some of the best players in Trenton and Morrisville, is one of the strongest independent teams in this section and the games are drawing big every Sunday.
