Local Team to Meet Tesreau's Bears in New York

After considerable dickering Philadelphia's leading semipro team, the Hildale nine, has accepted terms to play a return double-header with Jeff Tesreau's Bears at Dyckman Oval, near the Dyckman street subway station, New York, Sunday afternoon.

About a month ago these teams engaged in two thrilling contests before a record crowd at the oval and broke even. Since then the Hildales have been anxious to have the Bears cross bats with them at Shibe Park in Philadelphia, but Tesreau refused to play away from home.
