

YANKEES PLAY HILLDALE

Open Two-Game Series at Phillies' Park Starting Tomorrow

The New York Yankees under the piloting of Art Summers, fresh from their victory over Chief Bender's New Haven team will open a two-day engagement tomorrow and Wednesday with the Hilldale team, considered one of the strongest semi-pro teams of the East at the Phillies Ball Park, Broad and Lehigh avenue.

Summers still has few open dates and would like to book games out of Philadelphia. Address 5843 Willows avenue or phone Spruce 4617. The team has the same line up that has played throughout the season and is considered one of the hardest hitting teams of any league.
