

# LINCOLN GIANTS WILL PLAY REDS

Tomorrow night on the Morrisville field the Reds will entertain the Lincoln Giants of New York, and Joe Cotter, who pitched such fine ball against the Brooklyn Giants last week, will again occupy the box with Frost behind the plate. Manager Nolan will also have his regular lineup on the field, as the visiting aggregation comes here with a fine reputation.

The game will begin at 6 o'clock and Kelly and Bransfield have been assigned as umpires.

It is the intention of Manager Nolan to bring some of the best independent teams to Morrisville every Wednesday. He has booked such

weli known teams as the Bacharach  
Giants, of Atlantic City; Hildale,  
with Santop, the greatest catcher in  
the , baseball world; Upland, with  
"Home Run" Frank Baker; Norfolk  
Giants, Lit Brothers with old reliable  
Barney Slaughter, Stetson team of  
Philadelphia, and the Philadelphia  
Professionals.
