

McGraw Men to Play At Dyckman Oval

The New York National League Club will make its farewell appearance Saturday afternoon at Dyckman Oval, near the Dyckman Street subway station, against the Lincoln Giants. On Sunday there will be a double header between Jeff Tesreau's Bears and a combination of major league stars.

Unlike most barnstorming teams, which are made up of bench warmers and a few of the stars, the Giants are to remain intact. Ferritt and Barnes will be the pitchers and Snyder will be on the receiveing end. Kelly will be at first, with Doyle, Bancroft and Frisch making up the rest of the infield, while the outer garden will be patrolled by Young, Spencer and Burns.
