

## Norfolk's Star Ball Team To Play Bears To-day

The Norfolk Giants will be the opponents of Jeff Tesreau's Bears in a double header at Dyckman Oval, near the Broadway subway station, this afternoon. The Norfolk ball tossers are considered just about the best semi-pro team in the entire Southland, and include among their number former star players of the Royal Giants, Lincoln Giants and Bacharach Giants.

Wickware and Gatewood will do the hurling for the Giants, while Big Jeff and Burke will appear on the mound for the Bears. The American Giants of Chicago will probably play a series of games with the Bears here within the next few weeks.
