

## WASHINGTON TEAM TO PLAY BLACK SOX

The Detroit Tigers, Washington's best colored team, will be here Sunday to tackle the Black Sox, colored champions of Maryland, in a double-header at Westport. Having won from all the other colored teams in Washington, the Black Sox will claim the championship of Maryland and District of Columbia if they will from the Tigers. The Tigers were here early in the season and lost two close games. The Sox will return from their Northern trip today and next week will go as far South as Winston-Salem, N C
