

# POINTERS TO PLAY

## BLACK SOX NINE

---

Sparrows Point Athletic Association will meet the Black Sox Sunday in a double-header at Westport.

In an effort to stop the Sox the Pointers will place their strongest lineup on the field. The pitching staff of Sparrows Point has been strengthened by the addition of Jimmy Woodhead, who has just returned after having a fine year with Molina, of the Three I League. These two games will close the season for Sparrows Point A. A., which has been a very successful one.
