

# MANHATTANS TO PLAY BLACK SOX SUNDAY

The attraction Sunday at the Westport Baseball Park will be a double-header between the New York Manhattans and the Black Sox. This is the same club that is to play the Dry Docks Saturday afternoon at Oriole Park, and is reputed to be one of the fastest semipro clubs in New York city.

The Sox have been trying to get this club to visit Baltimore for the past two seasons. The Black Sox have been playing great ball this season, and their record to date has been 20 games out of 22 played. They recently split even with the Norfolk All-Stars. In Sunday's game Manager Thomas will use Hodges, Nyken and Logan as pitchers, with Lewis and himself catching.
