**Havana Stars and Lincoln Giants
Are to Meet Twice.**

The Lincoln Giants of New York, holders of the world championship among colored base ball clubs, and the Cuban Stars of Havana will clash at American League Park Monday and Tuesday afternoons. Both teams have been traveling at a fast clip in exhibition games in the east.

Joe Williams of the Giants and Padrone, the Cuban strike-out hurler, are to be mound opponents in the opening game. Johnson, the black Babe Ruth, will appear in the Giants' line-up.
