If that date is not available Agnew says he will arrange another date in order to have the fans of this city see this great colored team in action.

"Slim" Love, the San Francisco pitcher and former New York American, is pitching for the San Bernardino team. "Bobby" Jones, third baseman of the Detroit Americans, who is living in Riverside, and three or four other big league and coast league players will be on the San Bernardino team.

"Chet" Thomas, who caught against San Bernardino yesterday for the Dyas team, considers the Lincoln Giants one of the best teams in America. They have not lost a game since coming to the coast.
