**Famous Colored Team Will Meet  
Urbita Stars at Evans Park; Slim  
Love on Mound for Latter Ag-  
gregation**

Baseball fans are promised a rare treat in the game set for 2:15 this afternoon at Evans park when the Urbita Stars meet the Lincoln Giants, famous colored aggregation of ball tossers.

The Lincoln Giants come from New York, and they have been very successful in their contests with winter league teams throughout the country. The records hung up by the Giants are such that the Urbita

Stars will have to hustle to best them.

The latter team, however, will have a good man on the mound in the person of Slim Love, formerly with the New York American league team. Love will be remembered by many Riverside followers of baseball as a man who has been the terror of many who have faced him at the plate.
