

CAULFIELDS ARE NEAR TOP AFTER DEFEATING ATLANTA'S TEAM 3

If the Caulfields are not on top in the negro southern league they are very near it after winning Sunday's double-header from the Atlanta "Black Crackers." This league is not so well organized that the standing is available from day to day. The last one issued showed Knoxville leading with New Orleans third. New Orleans has now won 23 games and lost 19, and is a good second and close behind Knoxville for first place.

The local negroes made it three out of four from Atlanta by taking both ends of a double-header before a crowd of about 3000 at Heinemann Park Sunday. Segula pitched shut-out ball the first game, and in the second the Caulfields bunched their hits and scored six runs in the fourth and fifth innings. The second was an ex-

citing affair in which the Atlanta negroes twice tried to withdraw their team and then finally got into a fight among themselves.

No game was scheduled at Heine-mann Park for Monday, but Pensacola opens up here Tuesday for four games.
