

“HIGH POCKETS,” STAR WITH BLACK BEARS

During the absence of the Fort Worth Panthers on their second invasion of the South, Panther Park will be occupied practically every day by teams in the Texas Negro League. The first team to come will be the San Antonio Black Bears, who open a three-game series this afternoon at 4:30. “High Pockets,” the lengthy first baseman of the Bears, has long been a drawing card with white as well as negro fans. Part of the grandstand will be reserved for white patrons.
