

BLACK GIANTS AND PANTHERS TO MAKE SWING AROUND LOOP — WILL INVADE BAT- TLE GROUNDS OF SOUTHERN WARRIORS.

The Dallas Black Giants left Saturday for Austin, where they go for two games with Austin Senators on this trip they will invade the haunts of San Antonio, Beaumont and Houston, alternately and thus return to the home lot on or about June 15. The Giants machine has been thoroughly overhauled with the acquisition of several seasonable players and upon their return opinions of fans will be greatly changed as to their conduct on foreign fields. Watch for them.

The Black Panthers will hike over to Wichita Falls for a couple of games with the Black Spudders and from there they will make a swing around the Southern loop.
