

CUBAN STARS

BEAT MILLVILLE

**Knocked Ogden Out of the Box
in the Sixth**

**HIT ANYTHING HE
HAD TO OFFER**

**Millville Looked Bad in Conflict
With Cubans—Played Ragged
Ball.**

**Millville looked bad against the
Cuban Stars last evening. The score
was 7 to 1. The home club tossed**

away a big opportunity to get the jump on the Cubans in the opening inning when Peterson failed to lay down a bunt that would help Robinson to third base. Ned had hit for two bases and with nobody down the chances were not bad. Instead Peterson popped to Feran, Helfrich hit to Chacon and Robinson was run down between second and third. A moment later Nelson singled to left centre. That would have meant a run and getting the jump on the Cubans is a great big advantage. They are hard boys to beat when they get a lead.

Ogden didn't have a great deal and was hit so savagely that McFarland

was sent in to relieve him in the sixth. Mac got himself in bad at the start when he dropped an easy roller, allowing two runs to tally.

The Cubans hit the ball hard and hit frequently all through the game. They walloped several terrific drives that were handled by the Millville outfield in a sensational manner. They also pounded out others that were not handled by anybody on the lot. The lads from Havana obtained thirteen safe bingles, among the assortment being a couple of two base swats.

Millville hit the ball but not very hard. Two base wallops were obtained by Peterson and Robinson but neither developed a score. In the ninth Millville crammed the bases with one down but Peterson hit into a double play and the chance faded away. The score follows:
