Ralph Lattimore's Akron Gay-Lords are all set to repel the invasion of the Cuban Stars, who are to meet the locals at Lakeside park Sunday afternoon. Francis Karpp will probably get the call to do mound duty for the Akron team.

The Cuban Stars have hung up a good record during their barnstorming tour this summer. They have met some of the best semi-pro clubs in the west and have won a big percentage of their games. Rube Foster, who has backed many famous colored teams in previous years, is piloting the Cubans. Sunday will be another ladies' day at Lakeside park.

Record crowds have turned out for recent local semi-pro attractions and with free admission for the ladies billed for Sunday, another attendance mark is likely to be shattered. The game will be called at 3:30.

Industrial league officials have arranged a good five-game card for the week end. Two contests will be played tomorrow afternoon and three will be staged Sunday. The Amazons and the Miller rubber nine are expected to put up a hot fight at Buchtel field tomorrow. The two clubs look to be almost equal in strength on the face of their league record.

Firestone and Philadelphia will meet at Selberling field in the other game scheduled.
