

Cuban Stars to Tackle Tesreau's Bears To-day

The Cuban Stars, of Havana, will be the opponents of Jack Tesreau's Bears in a double-header this afternoon at Avenue A, near the Beekman Street station on the Broadway subway. The Stars have just made a clean-up in Philadelphia where they won five straight games last week.

Big Jack will pitch for the team in one of the games, and will probably have Pedroni, one of the cleverest twirlers in the Artillery, as a good one on the mound. In the other contest Big Bertton or Houtstep will do the box work for the Bears, with Valdes or Juncos opposing them.
