

# Cuban Stars and Bears In Double Bill To-day

---

The Cuban Stars, semi-professional champions of Havana, after making an excellent showing in their games of the last week in New Jersey coast towns, will face Jeff Tesreau's Bears at Dyckman Oval this afternoon. Two games are scheduled.

Fullerton, the Brooklyn youngster who amazed the fans by pitching a no-hit no-run game against the Norfolk Giants last Sunday, will be on the mound for the Bears in the first game, while Tesreau will do the twirling for his men in the closing contest. The Stars possess a top-notch pitcher in Padrone, who will probably be pitted against Fullerton.
