

# Cuban Stars Will Face Tesreau's Bears To-day

The famous Cuban Stars, of Havana, who won the championship of the Cuban National League last winter, will be seen in action here this afternoon at Dyckman Oval, near the Dyckman Street subway station, in a double-header with Jeff Tesreau's Bears.

The Cubans, fresh from a triumphant tour through western Pennsylvania and West Virginia, will present one of the most formidable teams that have opposed the Bears this season. Padrone and Fernandez will pitch for the visitors and Tesreau and Burke will be the local hurlers.
