

BASE BALL

BRONCS WIN WON AND DROP ONE.

San Antonio Bronchos lived up to predictions made by the Dallas Express sport writer in Sunday's game by trouncing the Giants 7 to 4.

The ponies waded into Rector's offerings early in the game and banged out enough hits win. Davis held the locals safe in the punches by keeping their hits well scattered.

Six big fat large and juicy errors loomed up behind Rector's flinging which aided materially in his down fall.
