

## DILLON OFFERS DIAMOND.

### Would Furnish Field For Union Giants-Marshalltown Game.

Learning that a game between the Chicago Union Giants and a Marshalltown club could not be played in this city Sunday, Sept. 7, because of the opening of the county fair the following day, the Dillon club, thru its manager, J. C. Peck, today offered the use of the Dillon baseball field for that date free of chare to any Marshalltown club desiring to meet the Giants. Manager Peck desires an answer at once if his proposal is accepted that he may keep the date open.

A desire to give the Dillon fans a fast game prompted Manager Peck to make the offer and undoubtedly the game would be well patronized as the Dillon fans have loyally supported the club this season.
