

## UNION GIANTS SEEK GAME.

### Crack Chicago Team Would Play Here Sunday, Sept. 7.

The Chicago Union Giants, a fast team of colored baseball players, were in the city today enroute to Beaman, where they play this afternoon. While in the city the manager of the club sought to arrange a game in this city to be played Sunday, Sept. 7, a change in the Giant's playing schedule making that an open date.

Altho it was thought a game could be arranged the arrangements were dropped because of the inability to secure grounds on that date. The Marshall county fair opens the following day and the diamond will be covered with tents for the vaudeville performers who are to show at the fair.
