

The Dow City baseball team divided two games with the Chicago Union Giants, Dow City winning Thursday 3 to 2 and the Giants Friday 7 to 3. In Thursday's game Powers outpitched Curry, the negro star pitcher, allowing the Giants but four hits and striking out fifteen men. We locals touched up Curry for ten hits. Dow City's hitting and Powers' pitching featured the game. On Friday the Giants turned the tables on Dow City and defeated them 7 to 3. Alf Hansen, local returned soldier, pitched for the home team and he lost the game through errors. He held the hitting Giants and allowed them five hits, which being bunched with errors cost Dow City the game. We are proud of our ball team and have beaten strong teams. The manager and catcher of the Giants stated that Dow City has the strongest ball team for a home team they have met this season. This makes everybody feel good and we have shown what a small town which supports its ball team can do. The negroes had lost but fourteen games out of seventy previous

to coming to Dow City and Dow City  
was able to tack one defeat onto them  
and would have won the second had  
it not been for errors.
