

CUBANS AT DEXTER PARK.

The Cuban Stars, champions of the Havana Baseball League, will make their third appearance of the season at Dexter Park, near the Cypress Hills "L," to-morrow in a doubleheader with the Bushwicks, Brooklyn's leading semi-pro team. The Cubans, now that they have become acclimated, are playing great ball and should force the Bushwicks to the limit. Maloney and Hageman will pitch for the home team, and Hohman will catch.
