

LINCOLNS SIGN PITCHERS.

With three new Western pitchers added to their roster, the Lincoln Giants will be strongly fortified for their double header, the fourth of their series with the Cuban Stars of Havana, at Olympic Field, 136th street and Fifth avenue, tomorrow. To date the teams have broken even, each team having won one double header and divided the third. Suarez, the Cuban wonder who twice has beaten the Lincolns, will oppose Cyclone Joe Williams in the first game.
