

CUBANS MEET BUSHWICKS.

The Cuban Stars of Havana, champions of the Cuban National League, will make their last appearance of the season at Dexter Park, near the Cypress Hills L., to-morrow when they play the Bushwicks a return double header. The Cubans are booked for passage to Havana early next month. The teams are evenly matched. Last time they met the Cubans won by 1 to 0 and 3 to 0 in games that scintillated with clever and sensational fielding.
