

**CUBANS MEET BUSHWICKS.**

The Cuban Stars of Havana, champions of the Cuban National League, will make their last appearance of the season at Dexter Park, near the Cypress Hills L., to-morrow when they play the Bushwicks a return double header. The Cubans are booked for passage to Havana early next month. The teams are evenly matched. Last time they met the Cubans won by 1 to 0 and 3 to 0 in games that scintillated with clever and sensational fielding.
