

CHEVROLETS OUT TO REPEAT.

The Lincoln Giants will make another effort to defeat the Chevrolats from Tarrytown to-morrow afternoon at Olymple Field in Harlem. The Chevrolats represent the automobile works and they seem to have caught some of the speed of the motors they work on, for they have taken the Lincolns' measure twice this season. The Lincolns will play the usual double header, their opponents in the other contests being the Robins Dry Dock nine.
