The Detroit Stars handed the Bacharach Giants their first defeat in many days at Inlet Park yesterday, winning out 2 to 0. The Detroit crowd plays Hilldale today.

Hilldale is scheduled to play a twilight game in Millville next Wednesday. Hilldale is a speedy colored ball club that put up sensational baseball in 1917 and 1918 and that has been playing good games this year. It is said that there is to be a change in the management and Foster an old time star is to assume control of the club.

Most of the Millville boys have their limbs badly scratched and torn from sliding on the gravel diamond. Yost and Robinson are the two who are the worst affected.

In a twilight game recently played between Stetson and Hilldale, 8000 fans were out to see the game.
