

STARS WILL BE IN MILLVILLE LINE-UP

Helfrich, Lennox and White Among Newcomers Who Will Oppose Bacharach Giants.

Millville will oppose the Bacharach Giants tomorrow evening with a strong combination which should make the seashore wizards travel at a good clip.

Helfrich, recently of the Springfield Mass., New England League team, and Lennox, recently of the Jersey City, International League, are a couple of speedy lads who will be on the local infield. Both are exceptional good men and have been hitting the ball hard. Lennox is a heavy clubber who is just likely to whale one into the river as not. Charlie White, a catcher well known in this city, will do the backstopping. He was here several times with Logan Square but this season is at Parkesburg and is playing great ball for Parkesburg Iron. In fact it is said that he and Heffner are the two best catchers in and around Philadelphia.

The contest will start a few minutes before 6 o'clock and should be one of the baseball treats of the year.
