**Batting Rally Came in the Fourth  
and Was Aided by a Couple of  
Errors.**

It stopped raining last Saturday afternoon just long enough to allow Millville to trim the Bacharach Giants in the second game of the series by the score of 4 to 2. Only seven innings were played because the Atlantic City team desired to catch a train to New York, they being billed to play a double header there on Sunday.

Frequent downpours which came after dinner dampened the playing field badly and a gang of workmen

found it a difficult task to get the field back into real good condition. However, the game was played and was witnessed by a crowd that filled the two stands.

Spectacular fielding by both teams kept the crowd interested. Hutchinson grabbed everything that was hit in his direction with discouraging ease. In the fourth Peploski slammed a terrific drive at him. He got it with his bare hand. At that "Hutch" didn't have anything on our own third sacker. In the third Helfrich enacted the feature play of the performance when he stabbed Lloyd's scorching liner with his gloved hand and pegged to Yost for a pretty double. The play was a timely one and nipped a batting rally that had all the appearances of developing into something dangerous.

"Cannon Ball Dick" Redding was on the mound for the dusky athletes at the start of the game and his speed had the home talent looking bad at times. He pitched rapidly and that appeared to baffle the Millvillians to a disquieting degree. He gave way

to Johnson after the fourth and then came the offensive that copped the contest. Three hits, two errors and a fielder's choice developed four tallies and that was sufficient.

Shively led the clubbing for the Bacharach's with a triple and a double.

#### How Runs Came.

With one down in the first, Shively hit to the right center field fence for three bases. Robinson relayed the ball to Yost who threw wildly to Helfrich, allowing him to continue on to the plate.

In the third with one down, Shively hit to left for two bases. He scored when Handy singled to left and was out a moment later when Helfrich grabbed Lloyd's line smash with one hand and threw to Yost.

Millville's rally came in the fourth. Seiferman, first up, was safe when Lloyd threw badly to first. Smith bunted and Handy dropped Johnson's throw, both men being safe. Hopkins singled. Stefnader bunted and was out Taylor to Handy who covered first. Seiferman scored on the play. Robinson singled over second chasing Smith and Hopkins over. Peploski hit to Hutchinson and was out at first. Yost singled past third, scoring Robinson, who had filched third. Nelson whiffed, ending the inning. The tabulation follows:

### Notes of the Game.

Hopkins, who caught for Millville, used to do the backstopping for Wisconsin. He has the reputation of being a pretty nifty receiver. He will be used in the games this week by Millville. He has lots of pep.

On Friday next Millville will go to Atlantic City and play the Bacharach Giants in their own ball park at the Inlet. A number of Millvillians will accompany the team to the shore.

Shively, Handy, Lloyd and Taylor compose a quartet of terrible sluggers. They are likely to ruin the reputation of any pitcher.

Well, now it's up to Scoble. The boys walloped the Bacharach Giants and he promised them a dinner. We know Walter. He's a hustler in the piano business and the dinner will no doubt be a good one.

On Wednesday evening the strong Hilldale team will be the attraction. The contest will be started at 5.45 or thereabouts and according to the announcement made Saturday afternoon will be played "rain or shine." Hilldale is another big colored attraction.

Peploski played with Frank Poth's Chester team in 1917 and is now with Parkesburg Iron. He is a good ball player and thoroughly knows the game.

The real critics are the fans who hang about the fence corner up on High street and who overrun Harry Bartlett's veranda in an effort to get a glimpse of the game. They are critical fans and it is well that there are only a few of them. They are not the sort that makes it possible to put on a good ball club.

A higher fence or barbed wire is needed to keep back the curious ones on other sides of the ball park.
