

Baseball Notes.

The Pittsburgh - Stars, a colored team managed by Rube Foster, has Saturday afternoon. The team plays the Bacharach Giants in Atlantic City Thursday and Friday

Hilldale won a ten-inning game from the Bacharach Giants in Atlantic City yesterday. A great crowd viewed the contest. A base peg by Lloyd in the tenth allowed a Hilldale man to go all the way to second. A sacrifice bunt got him to third and a hit over second by Allen, the third hit obtained off Reiding in the game, scored him.

The contest was a great one to watch brimful of good ball playing. Both teams fielded sensationally. Two errors were committed. Lloyd and Handy heaving bad pegs to first.

Flourney, a left hand singer who has the reputation of being one of the best colored pitchers in the

world twirled excellent ball for Hilldale, and was particularly effective against Floyd and Taylor.

In the first Bacharach had three men on the bases and none down and failed to score.

The Aberfoyle team which plays here this evening won a double header in the Delaware River Industrial League Saturday.

The Cuban Stars, of Havana, play in Millville Wednesday evening. It's a big attraction and should be largely attended.
