---

**BURLINGTON, Sept. 11.**—Thomas Jackson, manager of the Bacharach Giants baseball nine of Atlantic City, has written the R. D. Wood team of Florence expressing his regret for the failure of the Giants to make their appearance last Saturday at that place.

The writer states he is willing to make good and will bring his team to the Florence ball park Saturday afternoon, September 20. The manager of the Florence team has accepted the change in the date and is making arrangements accordingly for the biggest contest of the season.
