

TAKE TWO FROM GOPHERS

**LITTLE FALLS PLAYS IN GOOD
FORM—SCORE 2 TO 1 AND
3 TO 0**

Oy Olson's Colored Gophers from Minneapolis were trimmed by the local team in two fast baseball games Saturday and Sunday. The final score in the first game was 2 to 1 in favor of the locals and in the second one the down-river aggregation was handed a goose-egg, the score being 3 to 0.

The manager of the Winnipeg Northern league team had promised to send down a good pitcher for the game on the Fourth, but the man failed to show up, and Al. Dominick was put in the box. He played his game very well and allowed but few hits.

The only score made by the Gophers in the Saturday game was secured in the first inning, when Clark, third man up, made first on an error by Stoll, stole second and made third on another error by Stoll and scored on a hit by Nelson.

The locals made their first score in the seventh inning, when Lauermann singled and stole second. Smith struck out and Dominick, next up was put out at first base. Lauerman advanced to third on this play. and Brandel made first base when the catcher fumbled the ball on his third strike and Lauermann scored.

The score remained 1 to 1 until the last half of the ninth inning. The catcher fumbled the ball on the third strike of Smith, who started to first. In making the throw to first the catcher struck the runner with the ball, which bounded into the outfield. Smith continued to second and made third when Dominick grounded out to the third baseman. Brandel was then walked to first, and stole second while the pitcher was holding the ball. Allison hit a slow grounder to the third baseman, who made a wild throw in trying to catch Smith at the home plate and the runner scored.

In the Sunday game the locals played a better game than the day before and did not even allow the Colored Gophers to score. The final tally was 3 to 0.

Pete Newman did the pegging for the locals and deserves much credit.

for the way in which the locals out-did their opponents. He struck out nine men, allowed seven hits and passed but one man. Nelson for the Gophers struck out two and allowed six hits but did not issue any passes.

Little Falls started scoring in the third inning, when, with one man down, Allison got a single and advanced to second on a passed ball. Tanner grounded out to short and Murphy, next up, secured a three-bagger, scoring Allison. Stoll was the third out and this ended the scoring until the sixth inning. Tanner, first up, got a hit by Stoll. The third and last score was made in the seventh inning, when Brandel made first on an error, stole second, made third after Allison went out on a pop to the infield and scored

on a sacrifice fly by Tanner.

Following is the lineup, score and summary of the two games:
