

BENDER BEATEN

Hilldale Gets to Chief's Curves and Wins With Ease

Even the "Mighty Chief" Bender could not stop the winning streak of the Hilldale club, of Darby, yesterday afternoon, the home team winning by the score of 5 to 1, pounding the curves of the former Athletic and Philly star slab man for the total of 11 hits for 18 bases. Cochral, the Hilldale's twirler, was master of the situation throughout the game, he only allowing 4 hits and being backed up by perfect support on the part of his teammates would have shut the All-Star Internationals out, except for the error of his battery mate, Santop, who, when Carris and Campbell, started a double steal dropped Down's perfect throw, which allowed Carris to score, the only run for the All-Stars.
