The All-Watertown and Havana  
Red Sox baseball teams will meet  
in their third and final game of the

series for the city championship at Garland City Park Sunday afternoon. Watertown has won two out of the three games already. This will be the last clash between these clubs this season.

While the locals have defeated the colored tossers in two out of three games, Pop Watkins says that he will cop the final conflict and it is expected that several fast colored players will be imported here to take part in this tilt.

All-Watertown will be fortified to meet any emergency which might arise as they have engaged Pitcher Morgan of the Syracuse Moose baseball club to twirl for them in Sunday's game against the colored team. In games which Morgan has taken part here this season, he has displayed more class than any other twirler. He held All-Watertown to four scattered hits two weeks ago. While he did not twirl against Wa-

Watern town last Sunday, owing to the fact that he pitched last Saturday, Morgan displayed his value as a great outfielder by pulling down several drives that looked good for hits.

Morgan has already established a reputation this year as a terror to colored ball players. In games here Memorial Day against the Haystack Red Sox Morgan struck out 22 men.
