

# STRENGTHEN TEAM FOR SUNDAY GAME

ALL WATERTOWN ARE TAKING  
NO CHANCES

## IN GAME AGAINST RED SOX

New First Sacker and Two New Out-  
fielders Will Perfect Formidable  
Outfit Against New Colored Team  
—Ahearn Soldier Twirler in To-  
day's Game.

With three new men in the line-  
up, All Watertown will present a  
formidable team against the Havana  
Red Sox in the Sunday game at  
Garland City Park.

A new first sacker will be seen in  
Sunday's game and Thomas, the  
heavy hitter, who played two games

with the locals a couple of weeks ago will hold down center field position while Craig, a good outfielder and an exceptionally good hitter will be seen in right garden.

With these additions to the locals today and Sunday, the locals are again anticipating two more victories against the colored aggregation, although they realize that they will stack up against a classy ball club, for it is a well known fact that the blacks will be well fortified in these games.

Brooks, who held the colored team to three scattered bingles last Sunday will again occupy the mound against the Red Sox Sunday. Simser will again be seen behind the bat while the always reliable "Bunny" Van Duzen will hold down the keystone sack. Brouty, Watertown's fast infielder, will be seen at short and Jack Joy, the heavy hitting third sacker will perform about the hot corner. "Jitney" Hulbert will chase fly balls in left garden and the local management is sure that this

outfit can bring home the bacon from the rejuvenated colored outfit.

The colored men will present an entire new infield from the pitcher down. Archer, the only colored twirler to defeat the pick of the New York State league last fall will twirl. The remainder of the new line-up of stars which Mike Kelly, the Red Sox manager got together this week, will be the same as announced in Fridays' Times.

The All-Watertown and Havana red Sox are battling for honors in the first game of their second series at Garland City Park this afternoon.

Ahearn, Manager Murphy's great Signal Corps twirler, from Madison Barracks, is in action for Watertown against the colored team this afternoon. Ahearn is the only twirler that has defeated the All-Watertown team this season and they look for him to win for them this afternoon.
