POWERED BY SUPERIOR PIT-
CHING.**

Austin, Texas, May 27.—In a fierce and exciting ten inning game the fast going Black Senators defeated the Dallas Black Giants here Saturday afternoon. The game was replete with fancy fielding and brilliant pitching. The Giants put up

an excellent brand of base ball, but luck went against them and the home team won by a score of 3 to 2.

Tank for the home club, out-pitched Long, for the visitors in

Sunday's game by holding the wicked stickmen of the Giants' crew while his team mates batted in enough runs to cinch a victory and thus the old game was again laid on ice for the home bugs by a count of 6 to 1. Batteries for Dallas in Sunday's game: Long and Richardson for Austin, Tank and Williams.
