

GUNNERS TO PLAY ORIOLE BLACK SOX

The Naval Gun Factory A. C. will travel to Baltimore on Memorial Day to cross bats with the fast Baltimore Black Sox. The Sox have been playing some stellar ball to date, having trimmed the best semi-pro nines in the country. The great pace the gunners have been traveling is well known in local baseball camps, so a hot contest may be anticipated.

Manager Greene of the Navy team hopes to take both ends of the two-ply killer. He will work his star battery, Adams and Greenfield, in the opener, and most likely pitch Thomas in the nightcap.

All strong nines desirous of obtaining games with the fast Navy team can do so by communicating with the manager, John Greene, 433 Elm street northwest.
