

CUBANS PLAY BUSHWICKS.

Calderin and Farbe to Work in Double Header To-day.

Calderin and Farbe, leading pitchers in Cuba this past season, will work for the Cuban Stars of Havana in their double header with the Bushwicks at Dexter Park, near the Cypress Hills station of the elevated, this afternoon. Calderin in particular has been having a big season.

The Bushwicks, under the leadership of Al Burch, the one time Superba, have been reconstructed and are playing the kind of ball the old Bushwicks used to put up.
