

ROYALS AT OLYMPIC FIELD.

Will Play Two Games With Lincoln Giants.

The Royal Giants will resume their contests with the Lincoln Giants at Olympic Field this afternoon. The teams will play the fifth and sixth games of their ten game series. The Lincolns lead by three games to one. Dandy, who pitched splendid ball last Sunday, will work for the Lincolns in the first contest.

In their first encounters at Olympic Field the Royals displayed a brand of ball that kept the fans on edge from start to finish. Both teams possess heavy hitters, hence the pitchers will have to travel at top speed to keep the scores down.
