

Manager Stratton and his Champions visited Greenwood Park Sunday and easily defeated B. H. S. in a double header. Both teams were fighting to hold percentage average and put up a good game of ball. McGraw has got a good bunch of youngsters and with a few old heads with them they will make a red hot bunch. Over 200 fans were present and saw a good game of ball. It was a pitchers battle between Venson and Hall. The first game. Venson striking out 16 batmen and Hall 12. Both worked hard with good control. Venson allowed 1 base on balls and Hall 1. Both Stratton and McGraw watching their slabsmens work closely. The Box score:

Black Sox and Maroons play Sunday at Greenwood Park.

Ware of the Sox is in old time form and shoots at the Bags like a Huntsman at the game.

By W. A. Miller.

McGavock, Stratton, Carpenter, Phillips, Jones and Bains of the old man class of the Sox sure can circle the base they are all fast and will steal bases. Take notice of these old men of the Champion Black Sox.

Manager Stratton advanced his Champs into first place by taking a double header from B. H. S. Sunday with Whitsett in line with his bunch singing to Ellison and McGraw. Where them Black Sox's lead me, I will follow. That has been sung 3 years.

Branham of the Black Sox is pitching good ball for the A. B. C. of Indianapolis, Ind.

Wm. Frye, the Six big first baseman was out of the game last Sunday on account of being on the sick list. He will be in next Sunday's game. He is one of the best first basemen in the league.

It's worth as much to see those Black Sox run bases as it is to see the Kentucky Derby.

By W. A. Miller.

McGavock, Carpenter, Stratton, Ware and Jones, is 300 hitters. It will be hard to keep the Sox from getting 'em. You know what runs.

J. Phillips the Sox's fast short stop will be more teady of late as there has arrived at his home a fine boy that he is somewhat proud of as he is a young Sox.

Moorman, the Sox's star young twirler has been unable to join his team mates this spring on account of illness, but will soon be in the game.

Base Ball Dope.

M. Thomas Porch, the National's great packer says he is going to lose his roll this year on his boys.

The Nationals' are laying, getting fat for Mr. Maroon and Mr. Black Sox and are going to make it hot for the boys.

Shafter John, better known as the Texas Kid is well enough to get in the line up now and is going to show the boys how to pay the Keystone

Fate Meyer's given name—Sharp Daddy—says he is getting his eye on the pill again and is going to clean up for the boy.

Fritzell Woods, who played with the Nationals, the first of last season has been playing with Rube Foster, has gotten back and is going to make Manager Ellison a valuable man.

The Nationals have signed up another player. The youngster can hit and run like a giant. His name is Carney.

Manager Ellison says if the Black Sox, Maroons and Swifts want to win a pennant, they better pray for the Nationals to go down.

Captain Hurt says he has got his hog head out of pawn now and the boys are going good.

If Neal Boyd can play base-ball, the Arcade can walk.

The National Clubs sure have hard luck. All of the umpires are down on them.

Mr. Campbell, the Capital City League sure gives bad decisions. He takes the Nationals for a summer resort. The Umpire sure ought to go back to Murfreesboro where they play in the corn field.

Mr. Grady gives nice decisions except when the Maroons tank him up on Villa. Some ump.

SPORTING NEWS.

The young McGraw men were without an out-field last Sunday and only had three men standing out there to throw the balls in and they didn't do that in style.

Sampson pitched good ball until the fielders let him down so many times that he became disgusted and could not locate the plate, although Sampson went down, he carried a great record with him by striking out more men than his tow opponents put together.

The Deer ooted Sox found that the Swifts were young and green, taken great chances and ran wild on the bases. You must give it to the Sox for having a number of the fastest base runners in the League and with their unity they will be hard to handle this season.

The Nebraska Indians 14 and 15 of June. Our team will be in tip top trim. Williams and Nesbitt ordered twenty tip-top cakes.
