In the presence of the banner crowd of the season Camden A. C. went down to defeat yesterday afternoon at the hands of the Brooklyn Royal Giants, 9 to 7. Cotter pitched a fair game against the dusky visitors, but was handicapped by misplays at critical stages, errors by Deighan and Lillig being responsible for four of the runs made by the Giants. Camden rallied in the latter part of the game, but the lead held by the Giants was too big to overcome. Sheehan's fielding and the batting of Webster, Santop and Deighan were the bright spots of the game.
