

STETSON NO MATCH FOR ROYAL GIANTS

After having won fourteen straight games from the strongest local teams, the Stetson Hatters stacked up against the Brooklyn Royal Giants and were most decisively defeated. The score was 14-0. The colored champions were in prime form with the bat and accumulated out nineteen hits four of which were

by the rabbit's foot which they brought with them from Brooklyn (carried plenty of luck, because the Hatters were completely deceived by the underhand delivery of Morse, and in addition the home team was away on in fielding, each of their five errors proving costly.

Rddie Meyers, usually as steady as a rock fozzled three times, and the outfielders were weak on ground balls. The visiting twirler allowed four hits, widely scattered and at no time was he in danger although Stetson had three men on base in the sixth with only one out but Morse was too much for the next two batters.

In the initial inning the Giants started to wallop the spacers, and their three runs in this session were enough, as Stetson could only collect nine big coppers during the afternoon, while the visitors scooped around the bases with great speed. They played a fine game in the field, while the outstanding feature of Stetson's fielding was McClary's catch of Webster's fly to the right field limit, which he made while running with the ball.
