
CHICAGO GIANTS COMING FOR GAME WITH A. B. C.'S

Strong Chicago Aggregation to Open Three-Game Series Here Sunday.

The Chicago Giants, one of the leading independent clubs of the Windy City, will play the A. B. C.'s a three-game series at Northwestern Park, starting Sunday. The Giants have played at the local park a number of times and are great favorites with the fans. The boys from the Windy City were the first to defeat Taylor's aggregation last season, turning the trick after the local team had won sixteen straight games.

The A. B. C.'s with the addition of Second Baseman DeMoss of the French Lick Plutos, look to be one of the best colored clubs in the business. In the hurling department, Taylor has lined up three crack pitchers in Dismukes, Johnson and Charleston. The famous West Baden Sprudels will play a three-game series following the Giants.
