By Cary B. Lewis.

CHICAGO, Ill. July 29.—All Chicago is wild over the coming of the New York Lincoln Stars. This is the team that has Redding, the greatest pitcher of the race. He has to his credit 21 straight games. With this team is Lloyd, the great shortstop who was with "Rube" Foster's American Giants last season. The team will open a series of games here on Saturday, July 31, August 1, and continue all through the week until the following Sunday. It will be the championship games between the East and the West. Mr. Foster has strengthened his team considerably, bringing players here from

Louisville and Indianapolis. So great is the interest in the coming games that fans have sent for reservations from all sections of the city. The expense of bringing such a big team from such a long distance is so great that a raise in prices has been made by the management. The bleachers will be 35 cents, grandstand, 50 cents, and boxes 75 cents. The management urges that all should make their reservations at once. Everything has taken a back seat in the way of amusements for the coming of the Lincoln Stars. The popularity of Lloyd alone will bring thousands to see this wonderful shortstop. Mr. Foster declares that while he is up against a great aggregation, his boys will bring home the victory. Sunday, it is expected that from 10,000 to 15,000 people will be crowded into the American Giants' park. Mr. Scherling has arranged seats for at least 12,000 people. The line up for the Lincoln Stars will be, Poles, cf.; Kindle, 2b.; Lloyd, ss.; Uettus, 1b.; Santop, rf.; Pierce, c.; Gans, lf.; Mouglin, 3b.; Redding, p. Lloyd, Pierce, Gans and Pettus are old American Giant players and will be much in evidence on Sunday and throughout the series. See the Freeman to get a full account of all the games.
