

Omaha Giants Coming.

The Omaha Giants will be seen at the American Giants' Park on next

Sunday. The Sox will be out of town and all the Sox and Cubs fans will be on hand this coming Sunday. "Rube" and his team has been having a streak of good luck, having wone eight straight games. It is reliably reported that the visiting team is coming to put a crimp in the "home boys." "Rube" says he is ready for any emergency as his men are the best in semi-pro ball circles in the country.
