

A. B. C.'S WILL NOT GO EAST LAW AGAINST SUNDAY BALL

The A. B. C. baseball club will not go East as Manager Taylor expected. At the last moment he learned that the New York authorities have stopped Sunday baseball. The Lincoln Giants were stopped last Sunday. Games are sometimes permitted on Sunday, but there is a law against it. Mr. Taylor thinks it is taking too much of a chance in going so far. He cannot be assured of a Sunday game without which the trip would not be profitable.
