

SCHACHT'S STARS TO PLAY 4 GAMES

**International All-Stars to Play
Lincoln Stars and Bender's
Aggregation**

MANY CLUBS REPRESENTED

Four big baseball games have been arranged as a part of the celebration week ceremonies and Harrisburg fans and visitors to this city will have a chance to see the World's champion Lincoln Stars, crack colored club of the country, on Wednesday and Thursday and Chief Bender, the old Athletic pitcher and his All Stars on Friday and Saturday.

The Harrisburg club will be composed of a number of well-known International League players including stars of the Buffalo championship

club. The line-up of the Harrisburg club will be: Jack Onslow, Buffalo, catcher; Eddie Onslow, Providence, first base; McCarthy, Buffalo, second base; Calstrom, Buffalo, shortstop; Zimmerman, Harrisburg, third base; Tamm, Harrisburg, left field; W. Zimmerman, Rochester, center field and Irelan, Montreal, right field. The pitchers will be Schacht, Smallwood and Lee, of the Harrisburg club and possibly one of the Buffalo twirlers.

Fifteen years ago when the public improvements of Harrisburg were starting, Harrisburg became active in baseball and an independent athletic organization with over 400 members was organized to foster baseball and other athletics on the island. Chief Albert Bender, then a student at Dickinson College made his first professional appearance for Harrisburg, when the club was in the hands of Calvin S. Snoddy and John McCullough. Bender had won fame at Carlisle Indian School and at Dickinson and attracted so much attention while with the Harrisburg club that he was tipped off to Connie Mack, by Jess Frysinger, who was managing the Chester club which was one of Harrisburg's opponents in the independent days. Bender joined the

Athletics the next season and stuck until this year when he was released and joined the Federal League. He did not go well with the outlaws and was recently let go but has organized a club and is pitching wonderful ball to prove that he is still good. It is only fitting that he should play a big part in the sport event of the big celebration. Other old players will be included in his club, including Slat Peterson and Mike O'Neill.

Stars Here Two Days

The Lincoln Stars, who play here on Wednesday and Thursday are a wonderful collection who have won 117 out of 130 games played this season. They have defeated the Long Branch Cubans, who in turn have defeated many of the major league clubs, and most of the International League clubs in Sunday games at Long Branch, N. J. With the stars is Bill Poles, a former Harrisburg Giant player, who covers center field and is known as the colored Ty Cobb.

The old time Cuban Giants were always great favorites here and fans still talk of Foster, the big pitcher; Johnson, the crack shortstop; Monroe, the clown third baseman and Buckner, the big pitcher and outfielder who knocked the longest hit that has ever been made on the island grounds. Now a younger aggregation

of colored stars is presented but among them are stars as great as the old boys.

The Lincoln Stars will have the following line-up: Poles, center field; Kindie, shortstop; Pettus, first base; Santop, catcher; Mongin, third base; Pierce, right field; Miller, second base; Bernard, left field and Sykes, and Nirvey, pitchers. There will be all kind of interest in the games during the four days of the celebration and great crowds are expected to attend.

The games will start at 3 o'clock and the admission charges will be the same as during the league season.
